TOPIC	GUIDELINES & RULES OF CONDUCT
1) Prevention	<ul style="list-style-type: none"> <li>▪ Health takes the highest priority; a high level of solidarity and individual responsibility is required.</li> <li>▪ Persons with COVID-19 symptoms must not attend the event.</li> <li>▪ If a case of COVID-19 is diagnosed after an event (after a max. of 14 days), the LOC must be informed of this immediately via the COVID-19 Hotline.</li> <li>▪ All of the information must be entered truthfully.</li> </ul>
2) Information and reporting obligations	<p><b>For teams prior to arrival:</b></p> <ul style="list-style-type: none"> <li>▪ Mandatory registration in the FIS C-19 database.</li> <li>▪ The following information must be uploaded to the FIS C-19 database by 12 noon on the day on which accreditations are to be collected:               <ul style="list-style-type: none"> <li>– Negative Covid-19 PCR test result including the testing date and the national laboratory certificate</li> <li>– “FIS Whereabouts”</li> <li>– “FIS Health Questionnaires”</li> </ul> </li> <li>▪ Anyone who travels to the event without all of the requisite documentation will not be provided with accreditation. This means that they will not be able to gain access to the event grounds and must self-isolate before filling out the documents.</li> </ul>
3) Arrival	<ul style="list-style-type: none"> <li>▪ The LOC shall inform the teams about the current entry regulations.</li> <li>▪ The team must remain separate from external parties during the journey to the event.</li> <li>▪ During the journey, the team must avoid taking long breaks, particularly at highly frequented places such as service stations, and must adhere to the general rules of conduct.</li> </ul>
4) Accreditation	<ul style="list-style-type: none"> <li>▪ The accreditations must be picked up altogether by the team manager of each team.</li> <li>▪ The accreditation serves as part of our contact tracing system and must be worn on your person at all times.</li> <li>▪ The accreditation must in no circumstances whatsoever be given to third parties.</li> <li>▪ In addition, a self-disclosure form <u>must</u> be daily completed via the QR code of the accreditation. Only then the accredited person will receive an access authorization to the event site.</li> </ul>
5) Mask obligation	<ul style="list-style-type: none"> <li>▪ Everyone must wear a face mask in all areas and accreditation zones on the event grounds.</li> <li>▪ Buffs that have protection certification are only permitted to be worn as face masks when riding lifts, on course inspections and on training and approach pistes. Certified disposable masks must be worn in the competition area. The organiser recommends wearing FFP2/KN95 masks for your own protection.</li> <li>▪ Protective masks do not have to be worn in the following exceptional circumstances:               <ul style="list-style-type: none"> <li>– By athletes immediately before, during and after the competition</li> <li>– During meal times after individuals have sat down at their tables</li> </ul> </li> <li>▪ The TCM shall provide information about the rules surrounding the wearing of masks on the leaderboard and when announcing results.</li> <li>▪ The participants shall be responsible for sourcing masks themselves. 2 FFP2/KN95 masks per participant are included in the welcome folder.</li> <li>▪ Used protective masks may only be disposed of in the designated waste containers.</li> </ul>
6) Separation of groups and teams	<ul style="list-style-type: none"> <li>▪ People from different colour groups must not mix with one another.</li> <li>▪ People from the “Red” colour group must not mix with one another for periods of more than 15 minutes.</li> <li>▪ Teams must not mix with other teams within Team Hospitality.</li> </ul>
7) COVID-19 testing	<ul style="list-style-type: none"> <li>▪ Everyone must present a negative Covid-19 PCR test that was carried out no more than 72 hours previously. (Only valid when using the FIS Passport)</li> <li>▪ The test must be officially recognised and certified in the country in which it was carried out.</li> <li>▪ The task force can have people who have symptoms take a COVID-19 rapid test.</li> <li>▪ The task force may at any time arrange for rapid tests to be carried out unannounced.</li> <li>▪ In the event of a positive result being returned by the COVID-19 rapid test, a COVID-19 PCR test must also be carried out to validate the rapid-test result.</li> <li>▪ The costs for additional tests must be paid on the spot by the person being tested.</li> </ul>

8) What to do if you experience symptoms	<ol style="list-style-type: none"> <li>Should you develop symptoms, you must inform the team manager immediately. The affected person must enter self-isolation immediately.</li> <li>The team manager shall inform the COVID-19 Officer of the LOC immediately via the COVID-19 Hotline.</li> <li>The COVID-19 Officer shall inform the task force.</li> <li>The task force shall consult the cantonal authorities and make a decision on the next steps to take.</li> <li>Any information provided to third parties (the media, etc.) must be approved by the task force.</li> </ol>
9) Leisure time	<ul style="list-style-type: none"> <li>Leisure activities are to be avoided, where possible.</li> <li>Every person shall be responsible for their own actions and activities during their leisure time.</li> <li>The FMOH guidelines must be adhered to.</li> </ul>
10) Training and implementation	<ul style="list-style-type: none"> <li>The team manager shall be responsible for providing team members with internal training.</li> <li>The team manager undertakes to hand out the annex to all team members at the latest on the evening before the first official team event (training or competition) and to inform the team about the protection regulations.</li> <li>The annex is a binding part of the basic protection concept for the World Cup.</li> </ul>

### DISTANCING

Always maintain proper physical distancing

### Wash hands thoroughly

Wash your hands for 20 seconds. Soap and water are most effective. Use hand sanitizer if there is no soap or water.

### Shaking hands and avoid contact

even if it seems rude or unfamiliar. Do not interact with the general public (autographs and selfies are strictly forbidden)

### In handkerchief or Arm bend coughing and sneezing

Dispose of paper handkerchiefs immediately after use AND then wash your hands.

### Stay at home with fever and cough

Contact your GP by phone. (Alert the doctors and organizing committee of any symptoms Identify any contacts at risk)
